

THE KNIGHTSBRIDGE SKILLPLAY

**Superkids Afternoon Club 2-6pm for Ages 3-8 year olds
Starts Effective January 2008**

What is Skillplay?

Skillplay is an innovative afternoon program which includes activities and learning opportunities in a fun and exciting manner everyday from 2pm- 6pm. You should aim to drop off between 2-2:30pm and pick up is between 5-6pm where we do quiet and winding down activities. There is a daily schedule of activities along with music, playball, dinosaur club, crafts, yoga and sports coaching. We also incorporate our Math Magicians program, teaching the essential premath skills through usage of music, crafts and curious questioning. The Jolly Phonics program is used to develop reading and sound skills and playball is a program designed to introduce football, basketball, tennis and other ball skills to children encouraging movement and activity. Our child reflexology program is hosted by Nurse Maria who trains children to learn this ancient technique which is calming and also helps sluggish children become energized. The Dinosaur Club is a behaviour modification program where children learn the basic life skills necessary to recognize their feelings and positively manage them. Music and Movement is hosted by our resident guitar player and teacher Miss Susan where songs and action are paired up.

Sunday	Rainbow Splash Waterplay & Phonics
Monday	Minichefs & Math Magicians
